Care of Young Students

At LTC we are passionate about the welfare of our young students. Our Designated Safeguarding Lead Maria Bayne maria@ltc-eastbourne.com is here specifically to look after young students to make sure they are safe and happy. Please contact her before, during or after your stay if you have any concerns.

Groups and Individuals

Group Students

Most young learners come to LTC as part of a group organised by a teacher or an agency.

Your group leaders are there to help you. Let them know if you have any problems or complaints because they can speak to us for you so we can try to solve your problem together.

Individual Students

In summer, up to 40% of young learners come as individuals.

We treat the welfare of our individuals as a top priority and an experienced member of staff will be appointed as your advisor.

Each advisor has 10-15 students to help. He or she will get to know you personally and make sure you know what is happening and what activities you can join.

Your advisor will help you if you have any problems or complaints.

Before You Travel to England

Summer School individual students only

Your parents must email these three documents to info@ltc-eastbourne.com.

You can find them at <http://ltc-english.com/ltc-eastbourne/pre-departure-information/>

[YL Students Permission Form](#) – this needs to be signed by your parents

[Travel Form](#) – even if you have not requested an airport taxi transfer, we need this information. Please remember to tell us if you are travelling unaccompanied as you will need a different confirmation from us.

If you have booked an airport taxi transfer we will send you an airport taxi confirmation.

[Medical Consent Form](#)

Group students

Your group leader or agent will send us the information we need.

Homestay students

We send out information about your homestay when it has been arranged. Contact your agent, your group leader or the school if you have not received it. Please remember to inform us about any allergies and other requirements so we can find the right homestay for you.

If you plan to buy a British SIM card while you are here

Get your mobile phone unlocked before you travel.

We strongly recommend that all students have travel insurance

See <http://ltc-english.com/insurance/> for details of the insurance that LTC can arrange for you.

What to Bring

Residential students only

- £20 bedroom key deposit. We will give this back to you when you return your key before you leave.
- A towel. If you want to use an LTC towel, you must give us a £5 deposit.

All Summer School students

- Bring a towel to use if you go swimming. Residential students should bring two!

Toiletries

Bring soap, shampoo, toothpaste and everything you need for washing and having showers.

Clothes

In **summer** (mid-June to August) bring casual summer clothes, a good jacket / raincoat, trainers, pullovers, swimming costume and a towel if you want to go swimming.

In **spring** (March – early June) and **autumn** (September – November), you will definitely need pullovers and a warm jacket because it can be cold.

In **winter** (December to February) it can be very cold, so you will need a warm coat, a hat and gloves and good shoes in case it snows.

Pocket money

You will want to buy snacks and souvenirs. If you want to know how much you might need, please contact us, we will be happy to suggest the amount.

Learning materials

Pens, pencils etc., and possibly a highlighter pen, a good bilingual dictionary, either a book or an electronic one. We will give you a notebook and a file.

Valuables

We can keep your money, passport and travel documents in the school safe for you. But

please do not bring anything expensive. Also please charge your mobile phone up before coming to the UK as you will need to contact your parents immediately to let them know you have arrived.

When You Travel

Summer School individual students only

If you are travelling without adults:

Your parents should ask the airline to look after you.

Book an LTC **Airport Taxi Transfer**. This will take you safely from the airport to your accommodation in Eastbourne and back to the airport at the end of your course. When you leave, we will automatically book the **Park and Assist** service so the driver will help you to check in and take you to Departures.

We will give you a letter authorising the taxi company to pick you up and also send our emergency phone numbers. Show them to the airline staff. The taxi driver will have a copy of the letter.

Meeting your driver

If you have booked an airport taxi transfer through LTC, your driver will be waiting for you after you exit customs with your suitcase.

The driver will have a board like this with your name written on it and will know the address where they have to take you.

If you can't find your driver

Don't go with any other taxi. Stay with the airport staff until you find our driver.

The driver may be near the airport information desk. If they are not there, call one of these numbers. If you can't call, the airport staff will call for you.

Wristbands and Student Cards

Please note that all Young Learners are required to wear wristbands at all times.

They have three purposes

- To act as meal tickets so our kitchen staff know that you don't have to pay.
- To act as tickets for social activities.
- To act as security in case you get lost as they have the name of the school and the contact numbers printed on them.

Our wristbands are made of soft plastic and are very comfortable to wear. Once fastened, they cannot be removed unless cut with scissors.

Homestay students only

You will also get a student card with the address of your homestay. Keep this with you at all times in case you get lost.

Homestay Accommodation

Homestay students only

We send out homestay information about your hosts before you arrive. Check with your agent, your group leader or the school.

Travelling to school

Your hosts will take you to school on the first day. At the school you will be given a map so you can find your way around Eastbourne.

Questions to ask on your first day in the house

Can you show me how to lock the house?

What time do you leave for work in the morning? What time is dinner?

How long can I spend in the shower? What is a good time to have a shower? What happens if I need to wash my clothes?

Where should I store my suitcase? What are your house rules?

Your bedroom

It is your responsibility to keep your room neat and tidy. You must not smoke in your room or in the house. Do not keep food in your room. It will attract bugs and mice.

Good manners in England

English people say “please”, “thank you” and “excuse me” more than most countries. Don’t forget to do the same or people will think you are impolite.

Food and meals

Your hosts will give breakfast and dinner every day and lunch at the weekends. The food will be mostly English dishes. Be open-minded and try new foods and tell your hosts if there is any food you do not like or cannot eat.

Breakfast: English people often eat cereal, fruit, toast or yogurt.

Lunch: English people often eat sandwiches, leftovers, fruit and crisps. You will have hot lunch at LTC from Monday to Friday.

Dinner: English people eat a variety of cuisines. There is usually just a main course and possibly a dessert.

Table manners

It is polite to clear your dishes off the table after dinner.

It is good manners to eat with your mouth closed and to eat quietly (slurping is bad manners).

Feel free to ask questions and practise conversation at dinner time. Say “thank you” when someone serves you food or drink. Ask your hosts if you want more food or drink.

Homestay information continued

The bathroom

In most houses, you will share the bathroom with your hosts and/or other students.

English people usually shower once a day, a 5-10 minute shower. You should hang wet towels up when you have finished. An English bathroom is not a wet room – you must not get water on the floor.

Laundry

Your hosts will do the washing for you (usually once a week).

Telephone

If you want to use your hosts' telephone, check with them first. You must pay for any phone calls you make in your homestay. It's probably cheaper to call your country via the internet.

Internet Access

It may not be possible for your hosts to give you internet access at home. In this case you can use the WiFi and the student computers at the school.

Curfew

The curfew time for 13-15 year olds is 21.00, for 16-17 year olds is 23.00.

Eastbourne Borough Council does not allow students under 18 to be out after 23.00 hours.

If you go out in the evening, you must tell your hosts where you are going and what time you will be back.

Group students

Your group leader may give you earlier curfew times. If so, follow your group leader's rules.

Summer School students

Our discos and cinema evenings finish late. Afterwards you must take a taxi home.

Group students

Your group leader will arrange the taxi for you. If four students share, it will cost about £2 each.

Summer individual students

LTC staff will arrange the taxi for you. You do not need to pay.

Homestay information continued

Going out with your hosts

Joining activities with your hosts can be one of the best parts of homestay life.

If you are asked out to the cinema, to a concert etc., you should offer to pay for your ticket.

Changing Your Booking

You must give the accommodation officer and your hosts notice if you want to make changes to your homestay:

Move out: A minimum of one week's notice to your hosts and the accommodation officer.

Please also give us at least one week's notice if you want to extend your stay.

Accidental Damage

If you damage something in the house, you will have to pay for it. LTC EASTBOURNE cannot be held responsible.

Problems in your homestay

Our families are very carefully selected and most students have a great time in their homestay. If you are not happy, we can help. It is very important to talk to the accommodation officer if you are unhappy. You can find her in Reception.

It is important to talk to your hosts if you do not understand the rules.

If you can't resolve the problem with your hosts, talk to the accommodation officer.

This is normally used for a three day period but can be extended.
